To our valued clients:

OASYS has more exciting news to share!

It gives us great pleasure to introduce to you another new option for the OASYS Accountant, which has been serving you so well over the years.

Utilizing Alpha Micro's TrueGUI®, **OASYS.Net** adds a Windows® appearance, behaviour, and functionality to your existing proven software with this new Graphical User Interface. Running under Microsoft.Net, it integrates seamlessly with your Alpha Micro to provide visual real-time data with a variety of options.

We've had very positive feedback from some of our clients who have had a preview of these OASYS.Net screens – Here is an example of one of these screens:
